Attorney Docket No. 08049.0002-00000

Application No. 09/809,325

REMARKS

Applicants wish to extend their appreciation to the Examiner for the courtesy of a personal interview on May 2, 2007. This Supplemental Amendment is filed pursuant to 37 C.F.R. § 1.111(a)(2) in order to make amendments as suggested by the Examiner. Claims 1-92 remain pending and under current examination. Independent claims 1, 16, 29, 43, 58, 71, 85, 86, 89, 90 and 91 have been amended as discussed during the interview. Applicants refer the Examiner's attention to Fig. 6 of this application, which is exemplary support for the amendments made to these independent claims, and thus, no new matter has been added.

As discussed during the interview, the cited references do not include at least the claimed:

- sending an identification verification form to a physical address of the user;
- after the identification verification form is sent, receiving the identification verification form from the user in person at a proofing workstation;
- after the identification verification form is received at the proofing workstation, verifying the identity of the user in person using the identification verification form at the proofing workstation;

as recited in amended claim 1. Independent claims 16, 29, 36, 43, 58, 71, 78, and 85-91, although different in scope from claim 1, recite similar elements, and are therefore allowable for at least the same reasons.

In view of the foregoing amendments and remarks, Applicants respectfully request the allowance of pending claims 1-92.
